

## Corso di Laurea di II livello in Ingegneria Chimica

| Anno 1 | Semestre 1 | Periodo 2 | 8-9 | 9-10 | 10-11 | 11-12 | 12-13 | 13-14 | 15-16 | 16-17 | 17-18 | 18-19 | 19-20 |
|--------|------------|-----------|-----|------|-------|-------|-------|-------|-------|-------|-------|-------|-------|
|--------|------------|-----------|-----|------|-------|-------|-------|-------|-------|-------|-------|-------|-------|

### LUN

|      |                                   |                    |  |      |      |      |      |      |      |      |      |  |  |
|------|-----------------------------------|--------------------|--|------|------|------|------|------|------|------|------|--|--|
| 5114 | Applied physical chemistry        | Piazza Salvatore   |  |      |      | B020 |      |      |      |      |      |  |  |
| 5249 | Biochemical plant design          | Brucato Alberto    |  |      | B020 |      |      |      |      |      |      |  |  |
| 5233 | Corrosion and protection of metal | Inguanta Rosalinda |  |      |      |      |      | B110 |      |      |      |  |  |
| 5230 | Industrial chemistry              | Galia Alessandro   |  |      |      |      | B020 |      |      |      |      |  |  |
| 5231 | Polymeric and composite materials | Dintcheva N.       |  |      |      |      |      | B020 |      |      |      |  |  |
| 5215 | Reattori chimici                  | Loddo Vittorio     |  | B020 |      |      |      |      | B020 | B020 | B020 |  |  |
| 402  | Thermofluid dynamics              | Ciofalo Michele    |  |      | B120 |      |      |      |      |      |      |  |  |

### MAR

|      |                                   |                    |  |      |      |      |      |      |      |      |      |  |  |
|------|-----------------------------------|--------------------|--|------|------|------|------|------|------|------|------|--|--|
| 5114 | Applied physical chemistry        | Piazza Salvatore   |  |      |      | B020 |      |      |      |      |      |  |  |
| 5249 | Biochemical plant design          | Brucato Alberto    |  |      | B020 |      |      |      |      |      |      |  |  |
| 5233 | Corrosion and protection of metal | Inguanta Rosalinda |  |      |      |      |      | B110 |      |      |      |  |  |
| 5230 | Industrial chemistry              | Galia Alessandro   |  |      |      |      | B020 |      | B020 | B020 | B020 |  |  |
| 5231 | Polymeric and composite materials | Dintcheva N.       |  |      |      |      |      | B020 |      |      |      |  |  |
| 5215 | Reattori chimici                  | Loddo Vittorio     |  | B020 |      |      |      |      |      |      |      |  |  |
| 402  | Thermofluid dynamics              | Ciofalo Michele    |  |      | B120 |      |      |      |      |      |      |  |  |

### MER

|      |                                   |                    |  |      |      |      |      |      |      |      |      |  |  |
|------|-----------------------------------|--------------------|--|------|------|------|------|------|------|------|------|--|--|
| 5114 | Applied physical chemistry        | Piazza Salvatore   |  |      |      | B020 |      |      |      |      |      |  |  |
